GROUP PTY LTD

# COMPANY OVERVIEW

---

**Prugger Group is a rapidly expanding player in the fields of civil and earthworks, haulage and plant hire with a reliable reputation for getting the job done, whatever is required, on time and trouble free.**

Based in Coonabarabran in central NSW, we have an impressive and growing fleet of heavy machinery, equipment and transport options with a specialised team of qualified operators ready to move on whatever project you have – no matter the size, scale or degree of difficulty.

We guarantee all our work, and stand by our ongoing commitment to reliable and responsible service. We provide our clients a one-stop shop, offering maximum value and convenience with the minimum of fuss.

*If you need something moved, whether it's dirt, machinery or anything in-between—Prugger Group has the knowledge and equipment to get the job done right and on time.*

# OUR PURPOSE

---

**A can-do attitude and devotion to getting the job done right –on time, every time– means you can always rely on Prugger Group.**

We're all about solving problems and creating solutions for our range of clients and partners.

Being able to adapt and react quickly to what is required on the ground gives us the edge over our competitors, and will help incorporate us as a vital cog in your operation.

If you have a challenge, we've got the solution.

*Founding director Anthony Prugger and his expert team can get you and your project moving.*

# OUR SERVICES

---

**Prugger Group offers a comprehensive range of earthmoving, haulage and transport services to industry, government and the public, suitable for the full spectrum of projects from house sites to highways and everything in between.**

Whether you need a major project designed and managed from the ground up, drainage work or just a level base for your tank, we've got the equipment, qualifications and skills to make it happen.

Our extensive fleet of equipment, operated by trained, experienced experts, allows us to take on any job, almost anywhere at short notice and with no fuss.

So if you've got anything that needs moving – dirt, quarry products, plant and equipment or even people. Let us look after you.

*Throughout the Warrumbungle Shire and beyond, we are ready and committed to provide the highest quality and reliable service on every job.*

## **EARTHWORKS**

From the most basic to fully comprehensive plans, through to a project's successful completion, we work with our clients to satisfy all their requirements.

---

## **HAULAGE**

Prime movers to people-movers, floats, flatbeds, truck and dogs and even water carts – there's almost nothing too challenging for our extensive fleet. We like to move it, move it!

---

## **PLANT HIRE**

GPS-equipped excavators up to 30 tonne, rollers, skid-steers, backhoes and posi-tracks, and a full range of attachments. If you need it, we've got it.

# ***INDUSTRIES WE SERVE***

---

Our vast array of professional services means we are experienced in delivering solutions for businesses across a range of industries, including civil construction, general earthworks, roadworks, heavy haulage and much more.

- ✓ Civil Engineering
- ✓ Construction
- ✓ Earthworks
- ✓ Drainage
- ✓ Haulage / Freight
- ✓ Roadworks
- ✓ Plant Hire
- ✓ Commercial Projects
- ✓ Domestic Projects
- ✓ Government Contracts

*Prugger Group is fast building a well-deserved reputation for providing the highest quality work on any commercial, government, public or private project, large or small.*

# ACCREDITATION AND EXPERTISE

---

Company director and founder Anthony Prugger has a Bachelor of Engineering (Civil) and Bachelor of Engineering (Surveying) from the University of Newcastle.

More importantly, he's been operating heavy machinery since he was a child, and has a wealth of critical real-world experience. All of our staff are fully qualified and skilled operators with proven track records and excellent work ethics.

- ✓ Bachelor of Engineering (Civil)
- ✓ Bachelor of Engineering (Surveying)
- ✓ Qualified Designers
- ✓ Fully Licensed Operators

*Our staff are all fully accredited and licensed operators, and our quality equipment is fully compliant with all Australian industry regulations and maintained to the highest standards.*

# OUR CLIENTS

Our fast-growing list of highly valued clients consists of several major government departments, including **National Parks and Wildlife, Transport NSW** as well as various local councils on a whole scale of large and small projects and within critical deadlines.

Prugger Group is also proud to service a host of corporate and private operators, from major industry players such as **John Holland, BMD Group, Specialised Quarries and Concrete** and **MacKeller Excavations**—all the way through to your neighbour down the road.

*At the end of the day, we're prepared to move heaven and earth (and whatever else you need) to get the job done for our clients.*
